## ICF COLORADO

We are a professional organization of personal and business coaches. The purpose of the ICF Colorado is to lead, develop and nurture a thriving community of professional coaches who bring about the highest possibilities for humankind.

We exist to **Build, Support & Preserve** the integrity of the coaching profession.

We help to **Build** by educating the public and promoting the coaching profession.

To **Preserve** the integrity of the coaching profession, we develop standards for ethical conduct and become models of authenticity in our community.

We **Support** by actively researching and developing member programs and becoming a strong (and unified) voice for the coaching profession.

### The Vision of the ICF Colorado:

We are at the heart of a healthy sustained coaching profession, filled with innovative leaders who reveal inspiring possibilities for individuals and organizations.

### The Mission of the ICF Colorado:

With a spirit of contribution and service we:

- Provide resources, tools, education and support
- Adhere to the ethical guidelines and standards of the International Coach Federation
- Foster growth and outreach
- Strengthen leadership and sustainability
